COFFEE FILTER TURKEY

Materials Needed:

- Coffee Filters
- Washable Markers
- Wooden Clothespins
- Red and Yellow Craft Foam
- Wiggle Eyes
- Glue
- Scissors
- Spray Mister Filled with Water

Instructions:

- ✓ **Step One:** Flatten round coffee filters and apply several colors of washable markers in a variety of patterns.
- ✓ **Step Two:** Set the colored coffee filter on a flat surface and spritz with water to watch the magic! Set aside to dry.
- ✓ **Step Three:** Attach wiggle eyes to the top of each clothespin using glue.
- ✓ **Step Four:** Cut a triangle beak from yellow craft foam and a squiggly waddle from red craft foam with scissors. Attach under wiggle eyes.
- ✓ **Step Five:** Fold the dry coffee filters in half and crinkle slightly to fluff. Insert the coffee filter into the top clip of the clothespin.
