

WINTER Nature Walk

Scavenger Hunt

Just because it is winter doesn't mean you can't enjoy the outdoors with your little one.

We recommend bundling up in your warmest clothes and heading outside for a winter nature walk. You can use our Winter Nature Walk Scavenger Hunt for extra fun on your nature walk. This activity is for children of all ages. Whether your little one is an infant, toddler, preschooler, or school-ager, your entire family will have a blast enjoying the great outdoors looking for winter animals.
